

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

**PUBLIC NOTICE**  
for  
**CONTAMINATION REMEDIES AT  
BEAZER EAST, INC., CARBONDALE, ILLINOIS**

The United States Environmental Protection Agency (U.S. EPA) is seeking comments from the community on the *Statement of Basis* for Corrective Action remedies at Beazer East, Inc. in Carbondale, Illinois (the former Koppers Company). The *Statement of Basis* summarizes the environmental conditions at the mostly dismantled facility, describes the remedial measures that U.S. EPA is proposing, and provides the rationale, or basis, for the proposed remedies. The proposed Corrective Action measures fall under the provisions of Section 3008(h) of the Resource Conservation and Recovery Act (RCRA) of 1976, as amended, 42 U.S.C. Section 6928(h). The final selection of the remedies will be made following the public comment period.

The public comment period lasts from August 5, 2003 to September 22, 2003. Additionally, this public notice appeared on Monday, August 4, 2003 in the Southern Illinoisan and an announcement was made on W3DD radio station between 6:00am and 10:00am. You can obtain information on the RCRA Corrective Action program at this URL
